Latest Food Product

Comes in Tablet Form and Replaces to the Blood and Nerves What is Worn Out and Wasted Away.

In this way it builds up and repairs all manner of weaknesses, and enables one to throw off most of the ails of life. This preparation, known as Dr. Chase's Blood and Nerve Food, overcomes and cures not only such common ails as nervous headache, nervous dyspepsia, sleeplessness, nervous irritability, general debility, etc., but even such serious conditions as profound blood poverty, neurasthenia, paresis, dementia, locomotor ataxia, which have hitherto resisted all drug medication. It is not a dope, having a stimulating and only temporary effect, but is a food that feeds the depraved blood and starving brain and nerve cells, and in a natural manner restores them to structural integrity and perfection of function. To convince you that it is really a wonderful food cure, its makers, The Dr. Chase Co., Philadelphia, Pa., ask you to weigh yourself before taking it. Price 50 cents a box, five boxes, enough to give it a fair trial, \$2.00. Book free. Sold and guaranteed by E. A. Drown.
